Based on your inquiry, you are looking to dine with us as part of a large party.

Let us tell you a little bit more about what we offer...

## LET'S GET TO THE DEETS

All large parties (tables of 10 or more) are hosted in our North Dining Room. We have one large table that first has a maximum of 16 guests.

For parties of 10 or larger, we do require the group to order a **Tasting Menu** for the group; this takes any stress factor out of your ordering and keeps operations running smoothly in the kitchen.

The tasting menu is compiled of 8-10 of our most popular dishes, perfectly sized for your group and served to the center of the table.

## THE MENUS

Here are the general descriptions of the tasting menus for you to choose from. You can get a more in-depth description on the "Large Party Booking" page, by clicking the "View Menus" button.

### The Ukiah \$65

If we had a "Best Of" category, this would be it. The favorites of Ukiah brought together in harmony. We make sure that we touch on all the crowd pleasers, different cooking techniques and textures to create a menu that all your guests will love.

### The Ginza \$85

Named after the upmarket shopping region in Tokyo, filled with ritzy cocktail and sushi bars, this menu is designed with one thing in mind, luxury. Think oysters, wagyu + ribs to take your celebration one step further.

**\*\*Please note the tasting menus are subject to change, however, they give you a great idea of what's in store!**

## THE DRINKS

If you want an inclusive dining package, we can offer a **Beverage Pairing Menu** at an additional \$30 per person, plus tax and gratuity.

This menu includes one of our **core cocktails**, a **beer**, a **dessert cocktail**, and of course, a **sake**.

**\*\*If you would just like to order your beverages a la carte or speak to a manager about preselecting Wine or Sake for the table, we will be happy to assist!**
